Sikkim Government B.Ed. College – A Profile

Sikkim Government B.Ed. College, Soreng was established in the year 2009 (became operational in the year 2010) by the Government of Sikkim as a Constituent College of Sikkim University to cater to the long-standing need for providing avenues for pre-service and in-service secondary teacher education programmes for the aspiring students in Sikkim.

Marking a humble beginning with its Bachelor of Education programme (1 year) with only 100 students (two units) the college now has strength of 300 students (three units in each semester) in 2 years' B.Ed. programme. The admission to the B. Ed. course of the college is made through an entrance test conducted by the institution under the guidance of Education Department, Government of Sikkim.

Having lived through twelve academic sessions of its coming into being, the college has all through been very seriously focusing on instilling quality while bringing diversity in the scope of its teacher education programme. Much beyond the mandatory requirements expected by different statutory bodies, the college has dedicated itself to the mission of transforming students into teachers - duly initiated in the pursuit of academic excellence, vibrant on cultural sensitivity and oriented to social affinity. Teachers shape the destiny of future generations. The teacher education programmes, therefore, have an intensively wider role to play. The college strives hard to assume this responsibility and endeavors to do full justice to it being a dedicated teacher education college of Sikkim.

With many pass-outs of the college presently partaking contribution towards school and university systems across the length and breadth of the country and many others doing marvelously well in diverse domains in India and abroad, the college has set itself into an exploratory journey in the world of teacher education with an intent of blending the much cherished ideals with the hopes and aspirations of the emerging global world.

Our Vision

Our vision is to make quality the defining element of teacher education in India. The College envisions transforming society for the betterment of humankind; a society, where inclusive and collaborative learning is a constant process and which benefits humanity on a local, national and global level. The college believes in preserving democratic structure and cultural heritage along with practicing new and innovative ways of synthesizing the need for socio-cultural upliftment and the creation of an egalitarian society with the pursuit of academic excellence and freedom.

Our Mission

1. To empower the students and teachers with the resources of knowledge creation and make them self-reliant.
2. To facilitate an innovative learning process, where learning is contextualized in the changes, needs and challenges of the real world,
3. To equip the students with a mature mind and heart, capable of critical thinking, innovation and experimentation that enable them to become leaders.
4. To ignite the minds of the students to discover their individuality, improvise and acknowledge diversity.
5. To help the students build meaningful careers by strengthening their employability skills.
6. To pledge a commitment to build a bond with nature, fellow beings and their own deeper selves.
7. To ensure the advancement of learning by interdisciplinary approach, capacity-building programmes and diverse facilities.
8. To groom the teachers to be leading academicians
